About Us

Built in 1942, The Bridgewater Hotel is a beautiful Art Deco inspired building situated alongside the majestic Loddon River. Even with severe flooding in 2009 & 2011 the hotel has stood the test of time, the walls still bearing watermarks from the floods as a testament to its endurance.

Current publicans Virginia & Greg took over The Bridgewater Hotel in 2019 with a vision of what the beautiful building and backdrop could be transformed into. With extensive renovations over the following years both inside and out the historical building and surrounds have been turned into what they are today. Sporting a magical beer garden with eye catching views of the river and elegant décor inside, our wonderful building is truly no longer a “small country pub”.

It's undeniable that we are very proud of our beautiful hotel and what has been dubbed “The Best Beer Garden on The Loddon”.
